

18 Ways to Find Hidden Income, Fast

1. Why not sell all that stuff in your garage, attic or cupboards on Gumtree or Ebay?
2. Why not ask people who owe you money to get up to date on their payments?
3. Why not complete a project you can sell?
4. Why not raise your fees, or ask for a raise?
5. Why not reach out to previous clients from the last 2 years and make a new offer?
6. What about clearing out your wardrobe and hosting a garage sale or market stall?
7. Why not dig around and find any money hidden, stashed away or forgotten about?
8. Why not cancel or reduce any services you are paying for but no longer need or use fully?
9. Why not host a limited time sale of one of your products or programs?
10. Go through your book shelf and find books in good condition you can sell?
11. Why not call 5 of your colleagues or contacts and let them know you're accepting referrals?
12. Why not review your expenses for the last month and find one thing you can stop buying, or get a better deal on?
13. Why not open up just 1-3 spots to work with you privately for 6 months?
14. Why not follow up with everyone you've met networking in the past 90 days and make an offer or ask for a referral?
15. Why not offer a 1-day group VIP Day, either live or virtual, focused on a specific pressing problem?
16. Why not check for any refunds or rebate you haven't claimed yet?
17. Find Affiliate programs you believe in and promote them to your network for a commission?
18. Find research projects about topics you love that will pay for your feedback?
